

GENERAL AND ADMINISTRATIVE

PART 2 – Key Personnel

^{A15}Tenderers shall establish that their proposed teams have a successful personal background, along with the experience, qualifications, skills, and competencies required to execute the [Works](#) successfully. Curricula vitae (CVs) for the following key personnel in charge of or responsible for the identified project phase, component, or element are to be submitted for evaluation.

1. Contractor's Representative.
2. Design team manager.
3. Atlantic locks project manager.
4. Pacific locks project manager.
5. ^{A16}Quality assurance manager. ^{A16}

Criteria for evaluation of the CVs are defined in Volume IV, Part 2 of the RFP. The content of the CVs must be verifiable by identified credible references, and experience must be [demonstrated](#) to satisfy the evaluation criteria. Statements that the proposed individual has the experience will not be regarded as a basis for assignment of points. All experience must be supported by [verifiable](#) project references. Submitted CVs shall not be longer than 4 pages. ^{A15}
